COLLECTION XIV

Telafina XIV continues to emphasize contemporary luxury with a focus on classic constructions in silk, wool & mohair. The palette remains pared-back & the goal is to build layered, personalized & seasonless looks by combining elevated textures & finishes with an emphasis on natural fibers, like a capsule wardrobe for the home.

DEVEAUX

Drapery

Over-scaled paisley embroidery on a silk dupioni base.

TĒLAFINA

ANISHA

Drapery

A classic silk dupioni plain. Available in colorways matching all skus of Deveaux & Telfar as this is the base cloth for both patterns.
