

The background image shows a spacious, modern lounge or hotel lobby. It features large floor-to-ceiling windows that offer a view of a lush green outdoor area with trees and a paved walkway. The interior is furnished with several green sofas and blue armchairs, all featuring a geometric pattern. Small dark wood tables are placed between the seating areas, some with glasses and menus. The ceiling is made of horizontal wooden planks, and the walls are a light, textured grey. Modern lighting fixtures, including pendant lights and wall sconces, are visible. The overall atmosphere is bright, airy, and sophisticated.
