- 1. Jackson** - An add-on to our faux leather series Easy Rider. Jackson is a revolutionary PVC in that it mimics the ultrasoft and pliable hand of a PU with all the durability of a polyvinyl chloride construction. Jackson is a classic semi-matte hide look in a deep color-line with a handful of chic metallics.
- 2. Pure & Simple XIV - Linen Looks** - Consider this a Pure & Simple "greatest hits" album. The palette is entirely neutrals, featuring a huge shade range of whites, all rendered in must-have natural-blend constructions for a modern, earthy clean look.
- 3. Performance Wovens Vol. V: Badlands** - Performance Wovens is the ultimate cleanability performance series for residential and crossover contract upholstery. Exclusive, fashion-forward feature designs coordinate and complement a range of small-scale patterns, textures and solids, all styled by color. Badlands combines deep and sophisticated neutral tones of camel, caraway, dark oak, poppyseed and raw umber.
- 4. Performance Wovens Vol. V: Paintbrush** - Paintbrush is a multicolor-story of burnt sienna, adzuki bean red, deep peacoat blue, juniper, aloe and goldenrod.
- 5. Performance Wovens Vol. V: Silver Sun** - Silver Sun is a clean palette of palomino, mother of pearl and isabelline.
- 6. Regency** - This exclusive collection of transitional and traditional drapery jacquards passes NFPA 701 for contract use as well as residential use and is available in a range of soft shades from silver, taupe and stone to spa and sunny canary yellow.
- 7. Sheer Hangers** - These elegant sheers pair perfectly back to our decorative sheer collections. Chic batiste and voile qualities are shown with a breezy coastal linen/ poly blend in a timeless selection of neutrals.
- 8. Sheer Threads** - Boho meets deco with this decorative wide-width collection. Matte, natural-looking embroideries and textures are contrasted with subtly shimmering constructions in a palette from cloud white and wheat to mixed metals like platinum and rose gold.
