

Maxwell

A Maxwell fabric swatch book is shown, featuring a variety of fabric samples in different colors and textures. The samples are arranged in rows, with some showing a woven pattern and others a more textured, knitted appearance. The colors range from neutral tones like beige and grey to vibrant hues like red, orange, yellow, green, and blue. A semi-transparent text box is overlaid on the center of the book.

STUDIO PERFORMANCE BY COLOUR CANADA ONLY

Studio Performance is our line of must-have, high performance upholstery solids and textures. This season's Studio Performance offers five new constructions styled together by colour over three books: **Cashmere, Dragonfly and Fiesta.**

Studio Performance – FibreGuard fabrics are infused with the permanent protection of stain-free, easy clean FibreGuard technology. FibreGuard was developed in Europe to be an easy-clean solution that will last the life of the fabric and perform in commercial projects. FibreGuard focuses on a stain-free cleanability story rather than surface repellency. Spills and soiling are easily removed using a clean cloth, water and mild soap if needed.

Click to visit: www.fibreguard.com, for how-to videos and cleaning steps for different types of soiling.

As with all Studio collections, Studio Performance is stocked in our European warehouse; the typical lead time to our North Carolina warehouse is 4 – 5 business days. Studio Performance has a minimum order of two yards with ½ yard increments after that. Cuttings for approval are not offered on this collection, however we will guarantee the dyelot to be within industry standards of the sample book and memo samples. See back liner of the books for more details.

Studio Performance
Cashmere offers a range of neutrals from soft oyster and rattan to warm chinchilla and cool sharkskin greys.

Studio Performance
Dragonfly combines
seaglass-inspired blues
and greens with a shot of
citrusy chartreuse.

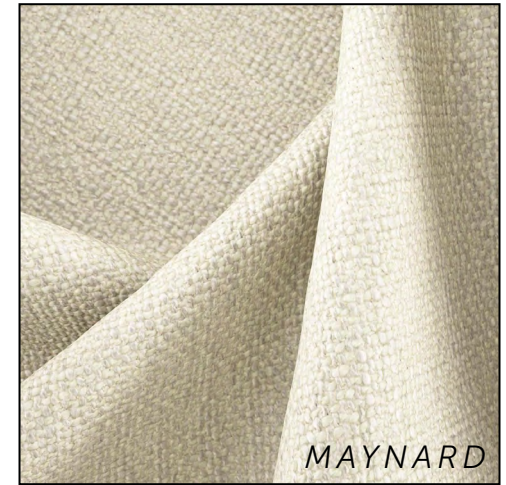

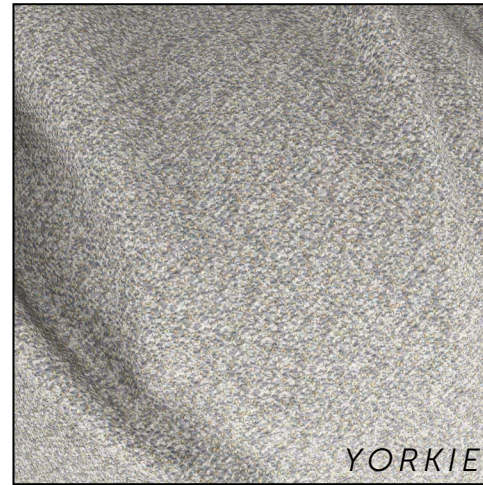

Studio Performance
Fiesta is a luscious
combination of
pomegranate,
persimmon and candy
pinks with a side of
honey yellow.
